RE: School Closing Monday, March 16th until Monday, March 30th

Dear Danville District 118 Families,

This afternoon, at approximately 3:30 PM, Governor Pritzker issued an executive order closing all public and private schools in Illinois beginning Tuesday, March 17th until Monday March 30th. As a result, we have made the following changes:

- Danville District 118 students will not report to school or programs beginning Monday, March 16th.

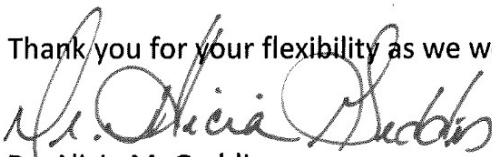

We will provide supplemental learning materials for our students in delineated age appropriate packets that can be completed during this time. Information regarding these learning activities will be available on our website on Monday, March 16th. We will also provide meals for the school week of March 16th - March 20th through a concentrated distribution model to Danville District 118 families who may need this additional support. Distribution information is as follows:

- Monday, March 16th 10:00 AM -12:00 Noon Mark Denman Elementary Parking lot
- Monday, March 16th 1:00 PM -3:00 PM South View Upper Elementary Parking lot

Any parent who needs to pick up their child's medication from the school nurse may do so by going to their child's school on Monday, March 16th during regular school hours.

Our regularly scheduled spring break is March 20th through March 27th. We will continue to communicate through a combination of Alert Now messages, the district's web page, and our Facebook page.

Thank you for your flexibility as we work through this challenge.

Dr. Alicia M. Geddis
Superintendent

Danville Community Consolidated School District No. 118
